Cheshire Housing Trust is Awarded Bank of America Grant
Funding will support local housing efforts

KEENE, NH - Cheshire Housing Trust has received a grant of \$3,528 from the Bank of America Charitable Foundation to support its efforts to provide safe, well-maintained affordable housing in Keene, Marlborough, and Hinsdale for low- and moderate- income households.

“We have come to regard Bank of America as a reliable friend,” according to Linda Mangones, executive director for Cheshire Housing Trust. “Bank of America has invested in our affordable housing and housing counseling programs for a number of years now. Helping working families find and maintain decent, affordable housing is central to promoting strong communities here in Cheshire County. This is especially important as it becomes more difficult to obtain federal funding. We also appreciate Bank of America’s helpful staff and streamlined application which allows us to focus on providing services rather than grant-writing.”
